General Report Comments: Upon arrival i met Javed and shared the nature of Complain.

He is a foreign national and he stated nothing is wrong with his cats. I observed 2 kittens that appeared to have snuffles and adult cats in a good condition . I told him the kittens are sick he denied it and i told him that he has two option's. He must surrender the kittens or seek veterinarian treatment. He tried to convince him and i made it clear that if there is no compliance I'll take actions. His wife convinced him to sign the kittens over.

The case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
