General Report Comments: Upon arrival i hooted several times and no one gave me attention

I observed the dog in question named Kingsley. The dog is roaming freely and it appears to be in good health. The dog has access to shelter and the living environment is clean.

It appears the owner is sleeping as there is a blue polo parked at the property.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
