General Report Comments: Petra, Kerri and myself went to the property, We were escorted by Inchanga police. We went there because Samantha was found guilty by Pinetown magistrate court on top of the sentence she was not allowed to own any animals for 10 years. Upon our arrival we were met by her partner Liam he told us that Samantha was out of prison he stay with her in the property, we explained to Liam about the court order that Samantha should not be in control, custody and possession of an animal therefore we were going to removed the animals. He told us that they got one dog and 2 cats , the cats were not there. He did not want to cooperate by singing of the forms and catch the cats for us.

We only took the dog. Admission #102523 we also reported to the police station Ob no1369/10/2025 and late we set the trap at the neighbour's property. On the 5 November the female baby cat was caught admission no 103253.

We had to stop the trapping because they saw our van and they suspected that the neighbours was helping us. That had caused problems between Samantha and the neighbours.
