General Report Comments: Upon arrival i hooted and no response. It appears that no one is home

I observed one dog roaming freely on property and it appears in good health.

I went to hooted at the complainant house and no answer.

Before i left i contacted the complainant and he stated nothing to worry about. The owner moved the dogs to another address. There is only one dog on the property.

I then contacted the respondent. He stated the dogs has been moved to a new address cos he doesnt wanna be in arguments with the neighbours. The problem is solved.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further actions that can be taken.
