General Report Comments: Upon arrival i hooted and shouted but no one came out.

I observed the dog in question roaming freely. The dog appears to be in a good condition and clinically alert. The dog has access to adequate shelter and the living environment is clean and hygienic.

The case is a duplicate i strongly believe the case can be closed there is no further action that can be taken. There is no contravention of the animals protection act 71 of 1962.
