General Report Comments: I went to the property with metro police. Upon our arrival we were met by the owner.
He admitted that his dog bitten someone he said he tried to assist her but she refused.
The dog appeared to be in acceptable condition and he has access to food and shelter.
Dog was last vaccinated in March 2023. I spoke to him about sterilization and vaccination. I even
advised him that if cannot control his dog he was welcome to surrender it to us.
He agreed to sterilize, I booked the dog for 25 November.
