General Report Comments: Owner Mr Ndlovu contacted Petros. Petros told him that the dog needed to be seen by a vet or signed over and he decided to sign the dog over. He said the daughter would be home. We went to premises and daughter allowed us onto the premises and she signed the dog over to us. I asked her when last dog was seen by a vet and she said they have had the dog for 10 years and it has never been to the vet. She said they used the dog for breeding. We told her that the remaining 2 dogs to be dewormed. They did show us food for the dogs.
