General Report Comments: Upon arrival i met Rochelle

She granted me access to enter the property. The dog in question is named Jill and Jill was clinically alert. The dog was at the Spca at the 6/11/2025 for treatment.The dog was admitted by field officer Sipho

Based on the findings of the veterinarian. The dog has athritis and it was given medication such as inflacam that will assist the dog to deal with pain. The dog is in a fair condition and it is 12 years old and it has access to shelter. The also has access to the house at all times and the dog is given vitamins. The dog has access to portable water and the living environment is clean.

Base on my findings

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962

ACTIONS

NO ACTION REQUIRED
