CHECKLISTS

General Report Comments: Lindo and myself went to the property on 19 November 2025,
Upon our arrival we hooted at the gate noone came out and we left notice to contact # 851.
After an hour the owner contacted Lindo and told him that he was in the property.
He said he heard the hooter when he came down we were gone.
Lindo made arrangements to go back the following 20 November.
We went back to the property met with the owner, he allowed us onto his property.
There were 2 sheds with chickens.
The first shed had _+1500 adult chickens and second shed had +-2000 chickens of younger ones
All the chickens had enough food and water,
Owner told us that the state Vet had done 2 tests all come back negative. He was still waiting for
them to do more test.
He told us that he cannot afford to pay for the workers he is got man who is helping him .
He said he feeds his chicken every morning and there was enough food during our visit
There was no sign of forced molting.
He admitted that chickens are dying.
He was still waiting for the state Vet.
