General Report Comments: Upon arrival i met Sihle and shared a nature of complaint.

He granted me access i observed Bluewie clinically alart but there was a bite wound. I then went to the back where i observed Cupcake kept in a small enclosure.

I then advised the owner to surrender one dog if they keep on fighting but he refused. Stating that he will keep the dogs separate and where Cupcake is kept where was a built up of feaces.

I issued a warning

-To provide injured anima with adequete veterinary treatment within 24 hours.

-To Clean the animals living environment within 72 hours and keep it clean at all times and free from parasites

-Ensure Cupcake has access to the entire backyard within 7 dats so she can express animal natural behavior.
