General Report Comments: Upon arrival i met Verona. She granted me access to enter the property

The dog in question that was observed with a lump was seen by the veterinarian at Pinelands Vet .
The dog is old age and is receiving pain medication. It also under anti infla. The dog is clinically alart
and according to the vet the dog has quality of life. The 2nd dog has been groomed and it appears to
be in a good condition. Other dogs on the property are observed in a good condition and clinically
alart.

The dogs have access to portable water and shelter. The living environment is clean and hygienic.
All the dogs are roaming freely on property.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71
of 1962 and there is no further action that can be taken. Case closed and all the dogs are sterilized.

ACTIONS
