General Report Comments: Upon arrival i met Byron who granted me access to enter the property.

I shared that i came to follow up if he has bought a disinfect. He granted me access to the house where i observed 10 cats that appears to be in a good condition and clinically alart. The moment i entered the house i can smell that harmonic smell and he made an excuse that the windows were closed. 7 cats were observed roaming on property and they appear to be in a good condition. 2 more cats were seen outside the property and they appear to be in a good condition.

I made it clear that the windows must be open at night as there is a cattery fixed to the house. He opened windows immediately. Cat litter is provided to the house and water is provided.

Byron than me tile cleaner and 5 litre bleach. He agreed that he will buy f10

I issued a notice to comply
Provide F10 disinfectant to get rid of the harmonic smell in the house within 72 hours as discussed.
