CHECKLISTS

General Report Comments: Upon arrival i hooted and shouted. I then entered the property and questioned the neighbour who confirmed the house is abandoned anf they haven't seen the dog for a long time. I searched on the property and couldn't find the dog in question.

I then contacted the complainant who stated even himself he's been visiting the property everyday but he hasn't seen the dog after he reported it.

I strongly believe the case can be closed. The dog is no where to be found and the complainant will call me if he see the dog in question.

Case closed until further notice.
