General Report Comments: Upon arrival i met Mr Visram and he granted me access to the property .

I shared a nature of complaint and he stated the complaint is a drunk guy from garden service whom had a fight with him in the morning.

I asked to see the dog and he walked to the big enclosure that the height is not even 1 meter long. Mr Visram build this enclosure to ensure the dog doesn't go out when someone opens the gate.

I observed the dog clinically alert and it appears to be in a fair condition. The dog appears to be old and it has access to adequate shelter and water is provided. The living environment is clean and hygienic. We went into the house and he showed me medication the dog is under so it can stay fit at it age.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
