General Report Comments: Returned to the property and met with the owner.
Two dogs were surrounded and she kept one male dog for her protection the dog was on long chain
.
I advised her about vaccination and sterelisation .
I promised her that I will call her with the date for sterelisation.
On 7 April I call her to give her date but she said she was in hospital she was going to ask her husband to contact or bring the dog for sterilization and vaccination of which her husband never did .
So she got my cell number she will call me when she is interested.
