General Report Comments: Upon arrival i hooted and the owner wasn't home. Meagan opened the gate and granted me access to enter the property.

I observed the dog in question and it is getting better as the coat is coming back. The dog is clinically alert and has access to the house at all times. The living environment is clean and hygienic. I could see food bowl as i was standing at the gate and the dog is freely roaming on property.

To follow up in a months time.
