General Report Comments: Upon arrival i met a minor at the main gate. She was coming back from school as she was in a school uniform.

I asked if is there anyone at home over the age of 18 and she replied no.

From the gate i observed a pitbull dog on a running that is about 10 meters and the chain is about 5 meter. The dog can cover the whole property. 3 puppies were observed roaming freely have access to shelter. The dogs are clinically alert and according to the Minor they bark when they are playing.

Case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken. I strongly believe the case can be closed.
