General Report Comments: Upon arrival i met Jessie who is the maid. I shared a nature of complaint and she took me to the backyard where the dog is kept.

I observed the dog named Clowie and it appears to be in a fair condition. The dog is clinically alert and it is on a a running chain. The property is not adequately fenced and there is no collar provided on a chain. There was no water observed during the inspection and the dog didn't have access to adequate kennel or shelter. The maid is afraid of the dog and Clowie is a bit aggressive towards strangers.

I issued a notice to comply

- Provide a kennel where the is chained within 7 days. To protect Clowie from all weather elements.
- Provide adequate collar for Clowie within 7 days to avoid injuries.
- Provide water for your dog at all times.
