CHECKLISTS

General Report Comments: Went to the property and met with the complainant, she gave me the dead bird (starling) that she found in the yard.
I brought the bird to the vet to check.
The vet said it didn't look like the bird was poisoned because it was injured the wing was broken and bruises on the chest area.
Complainant contacted and was advised to keep an eye if she found another dead bird she must let us know.

ACTIONS

NO ACTION REQUIRED
