General Report Comments: Upon arrival I met Muziwakhe and he granted me access to enter the property.

I shared a nature of complaint and he told me he decided to keep the puppy in the house as he went to claim the dog at the SPCA on Monday. The puppy got out on Sunday and I remember Muziwakhe at the SPCA claiming his puppy

All 4 dogs were roaming freely on property and appears to be in good health. The dogs has access to water and shelter. The living environment is clean and hygienic.

I advised the owner to add wire mash at the gate or buy a net for the gate so the puppy doesn't escape. He then told me he is going to buy it now

As I drove out he followed me as he was heading to the workshop.

There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken. I strongly believe the case can be closed.
