General Report Comments: Upon arrival i met Lungi and the dog in question was roaming freely. I shared a nature of complaint and she told me that she is tired. The neighbours will always find something to talk about

She is heart broken however she wanna leave her life in peace and she has decided to surrender the dog to the SPCA.

The living environment is clean and hygienic. The dog is clinically alert having access to shelter and portable water

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
