General Report Comments: Owner said that his dogs never get out. Dogs are in good condition. They are aggressive dogs. I have told complainant that he needs to just chat to his neighbour as neighbour is not aware of his dogs getting out and have told complainant that fencing is both their responsibilities. Complainant refuse to listen to any of the options. I told him that i cannot give owner of the dogs a warning without evidence that the dogs were out the yard. Complainant was not happy and i told him to report to metro police.
