General Report Comments: Upon my arrival I was met by the owner.she owns 2 dogs .
The jack Russell was sitting on top of the stairs but he was not confined there .
There was a light brown plastic kannel and had no door so the dog also use it .
There was water in the outside building .
The property is subdivided,they keep the dogs separately because they fight.
Owner was advised on sterelisation.
The property looked overgrown but they had started cutting by the gate .she said her Gardner
disappeared her husband is off she thinks the cutting will finished by Monday .
