General Report Comments: Petra and myself went to the property, we were let in by the other tenant domestic worker. There was no one in the unit I saw a cross breed male dog inside the house, couldn't see if there was water provided, the dog appeared to be in acceptable condition. At the back of the house there is a fenced off area about 20 x 10m and the kennel. I left my contact details with the other tenant domestic worker. Up to 24 April no contact made by the owner. I will go back on 26 April.
