General Report Comments: Upon arrival i met James and shared a nature of complaint.

He denied ever shooting a bird as he owns a firearm only. He further explained that if he can discharge a firearm in a residential area he will arrested. James has 3 dogs and all the dogs appears to be in a good condition. The dogs have access to adequate shelter and they are roaming freely on property. Portable water is provided for the dogs and no dog appears to be sick.

James claimed the complainant is he's next door who is using drugs. I then told him i don't know.
