General Report Comments: Upon my arrival I was met by Gugu the domestic worker.
There was one neutered pitbull.dog appeared to be in acceptable condition.
She denied the hitting of the dog ,she had a whip but she said she uses that whip to chase the dog
way from the driveway because the dog runs away if the gate is open.she said she doesn't whip it
.she hits the ground .
The dog appeared not to be scared of her he was sitting next to her.
Complainant contacted and was advised to get more evidence.
