General Report Comments: Child is underage for prosecution but spoke to him and his mother and warned them that it is prosecutable and that i will be telling the school what happened. Mother said dog keeps getting inside their house and breaking stuff and they have a toddler. I said that was not the way to deal with the dog and that there were other ways they could have dealt with it. Had community there talking to mom amd child as well. Owner of the dog asked that i not tell the school. I also told the owner of the dog to ensure they have decent fencing before they get another dog which they agreed to. Dog was put down as it had distemper.
