General Report Comments: Upon arrival I hooted and shouted. Thenge granted me access to enter the property.

2 dogs were observed roaming freely. They have access to shelter and portable water is provided. There is no sign of a chain or runner on this property. The living environment is clean and hygienic. I then asked the owner to show me food. The dogs are fed adequate food and there is no dog that appears to be sick or injured.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken. Case closed.
