General Report Comments: Upon arrival i met Bongani Hadebe who is a Gardner at property.

I shared with him why i came to visit the property. The adult dog is aggressive he explained to me that the dog that was always on the road is missing. They tried to search for it but no where to be found

Two dogs are seen at the property and they appears to be in good health . The dogs are roaming freely however i didn't close the just to visit the property again randomly
