CHECKLISTS

General Report Comments: Upon arrival I went to the street and there is no house number 14.

I then contacted the complaint regarding the house that should be investigated. As i questioned him what colour is the house or the type of fencing the house i should investigate have.

The complaint than made an excuse that he is in a meeting and he can't talk.

I waited and called again but no answer.

I spoke to Vel and she told me the complaint was informed that he is liable to pay vet bill if his dogs went to the neighbors yard to attack the goat.

I believe the complaint is avoiding the SPCA for that reason
