There were 3 dogs in the property.
All the dogs appeared to be in acceptable condition.
Part of the fence was down it was damaged during the floods .the large dogs are confined at the back of the property near the swimming pool but the place is big enough for 2 dogs .
They were busy cleaning the place where the dogs were kept.
During the floods the swimming pool was also damaged there is green water in it.
I will go back tomorrow to see if the cleaning is completed.
