General Report Comments: Upon arrival i met Mrs Potgieter. She granted me access to enter property but she was frastreted regarding the visit.

As i was visiting her for the 2nd time. She further claimed the complainant is the neighbor.

2 adult dogs were observed roaming freely and they are in good health. The living environment is clean and hygienic. The yorkie belongs to the tanent who recently moved in. The dogs are separated but they bark at eachother since the dog is new to the property.

There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
