General Report Comments: Upon arrival i Met the garner who couldnt grant me access as he cannot control the dogs.

I questioned how many animals are on the property and he told me three. He further explained that they bark if they see something even the monkey.

3 dogs are observed in a good condition and clinically alert. They have access to shelter and the living environment is clean.

I strongly believe the case can be closed there is no contravention of the animals protection act 71 of 1962
