General Report Comments: Upon my arrival I was let into the property by the owner.
This is the complex she is got no front garden.
At the back there is fenced off area about 13m x 1,5m wide and there was shading on top .
There are plastic kannels .
Both dogs are in acceptable condition had access to food and water.
She said she put up the shading because the dogs were making big noise when they see the monkey .
Advised the training and take dogs for a walk .
