General Report Comments: Upon arrival i met Martha who is a nigerian maid.

I shared with her the nature of complaint. She couldnt grant me access as her boss is not home.

I requested she must bring the dogs to the gate. I observed two huskies clinically alart and in good shape. The huskies doesnt display any form of sickness they are roaming freely.

I strongly believe the case can b closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can b taken.
