General Report Comments: Upon arrival i met Sandile

Sandile is a husband of Sarah Mthiyane

He granted me access to enter the property. I observed the dog in question and the owner has build a an eclosure that is about 8x4m to ensure dog doesn't go out as they are busy with renovations at this property. The dog is released at night and the space is adequate. The living environment is clean and hygienic

The dogs has access to shelter and water. There is no steriotypic behaviour that was observed on the dog

I strongly believe that the case must be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
