He granted me access

The dogs were observed roaming freely at the property having access to shelter and water. The living environment is clean and hygienic

He assisted in catching the puppies.

Two puppies were surrendered and only a male puppy was left behind .

Two adult dogs are also left at the premises and he has closed off the holes on the fencing .

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
