General Report Comments: Upon arrival i hooted.

The dog came to the gate. The dog appears to be in a good condition and well looked after. The dog can express animal natural behavior and the living environment is clean.

When i spoke to the owner over the phone he told me he moved in 5 days ago and he thought the dog will get lost but based on a warning he received he dont wanna get into trouble.

I strongly believe the case can be closed there is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
