General Report Comments: Upon arrival i met Ben

He granted me access and shared the complain.

He opened the garage and to my surprise Danger was tethered with a leash. Ben explained the dogs are fighting and i observed Danger has bote wounds.

3 puppies were also observed clinically alart and in fair condition. One dog is kept on the enclosure that did appear to be dirty.

I issued a warning

-Seek veterinarian treatment for Danger within 24 hours for assessment and possible treatment and you have an option to surrender the dog

-Provide animals shelter with protection from weather conditions with clean bedding within 24 hours.

-To clean the animals livinh area wuthin 48 hours and keep it clean all times and free from parasites.

ACTIONS

Warning Issued 6531
