General Report Comments: Upon my arrival there was no one in the property.
Property was not fenced I saw one male dog lying by the house not sure if was belong to that house.
Dog appeared to be in acceptable condition.
I left request to contact.
Later the owner called me he said he owes that black and white male dog.
He admitted that the dog was coughing he needed some help.
He said the dog was still eating well so I spoke with our clinic.
They gave me medication (purbac tablets) to give it to the owner they said if the dog doesn't not come right the must call us to fetch it and bring it the clinic.
We will check the dog in two weeks time.
