General Report Comments: Eric and myself went to the property ,  
We were met by the caretaker .  
There we 4 dogs outside the house ( mom and 3 puppies)  
Most of the dogs were kept inside the house .  
The 2 bedrooms has 3 dogs each other big bedroom has 5 dogs .  
The place was clean and they had access to food and water.  
They were all in acceptable condition .  
There was one puppy with skin condition and he had medication for it .( Prednisone tablets ,vetlomar allergy cream.)  
He told me that the sick dog that they were raising funds for was ptised at Ashburn veterinary clinic .  
He said the organisation is still run by Zoey .  
They got 15 dogs all together there.  
We will go back in 2 weeks to check the dog with skin condition .  
We also warned them that they are contravening municipal bylaws by keeping lot of dogs in the residential area.  
He said they are planning to move to the farm in 2 months time.

**ACTIONS**

NO ACTION REQUIRED
