General Report Comments: There was noon in the property.
I observed on sterelised male pitbull.
Dog appeared to be in good condition ,had access to water and shelter .
Dog was loose but it was pulling -+ 2m light chain .
I left NTC .
Owner called me in the afternoon ,he told me that the dog was on the 10m running chain because
he chase the monkeys and ended up jumping the fence in the front .
He said once he have enough money he is going to partition his yard and keep the dog in the front .
The dog appeared to be aggressive .
He said he was not going to chain it anymore .
