General Report Comments: There was noone in the property .
I observed 6 dogs including 4 puppies .
All dogs appeared to be in fair condition .
There was water and kannel provided for the dogs .
I have been to this property and spoken with the owner about sterilisation .
She always agreed to sterilised her dogs but when I come to fetch the dogs is either there will
noone in the property or she will not answer her phone .
So I will arrange another date , 17 June .
I will try and collect the dogs before the date or on the weekend .
