General Report Comments: Upon arrival i met Rajesh

I observed a dog in question and it was kept on a chain. I questioned Rajesh and he explained the guys are working on site. One dog was roaming freely and i i told him that he must build a running chain for the dog that is kept on a chain as it is against the law.

The dog is clinically alert having access to water and adequete shelter.

I issued a warning
Provide a running chain for Milo within 7 days, so milo can express animal natural behaviour.
