General Report Comments: Upon arrival i hooted until Mrs Naicker came to the gate.

He contacted his husband and i shared with both of them the nature of complain.

I told Mrs Naicker to bring the dogs to the main gate. Two dogs belongs to this property and they are in good health..i checked the collars and there is no shock collar. Both dogs are roaming freely and dont show any sign of sickness.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there no action that can be taken.
