CHECKLISTS

General Report Comments: Upon arrival i went to Shirley to check her dog first and assistance with direction to the that i need to go to.

When i spoke to Shirley i could see both her and the person i must investigate. She even showed me peace order papers.

I contacted Lucinda to meet me at the dead end. She then explained that Shirley incited the dog to attack her as their boys were fighting. She defended herself while the dog was trying to bite her.

I issued a notice
It has been brought to attention that you were seen hitting the dog with a stone or a brick. If we should receive any evidence supporting these allegations. It will lead into further actions taken against you in terms of the animals protection act 71 of 1962
