General Report Comments: I started at complainant property she than showed me what was happening she's got a concrete fence that about 1, 5 meters and mash wire above it that got big holes

Dogs are fighting through that mash wire I advised her to put mash wire with small holes above to stop that from happening she said she has done some cortation

I then went to the neighbor to advise them to do the same thing because it might their dog that get beaten in future they also promised

ACTIONS

OTHER I advised them to put mash wire with small holes above
