General Report Comments: Upon arrival i met Deon and he granted me access.

The guy refused to give his personal details telling me that people are racist around this area and his neighbor must leave him alone. The dog in question was observed roaming freely clinically alert having access to portable water and shelter. The living environment is clean and well maintained. The dog is roaming freely.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
