General Report Comments: There was noone in the property.
I saw 2 dogs male and female.
The dogs appeared to be in fair condition.
The male dog had few ticks on him and female dog appeared to fly strikes on her ear.
I called the owner he said he was treating the dogs.
He sent me the photo of the dip and fly repellent that he got from Durban and Cost Spca.
I told him to use it because the dog still had ticks.
I will go back next week to check.
