General Report Comments: Was met with owner. Two Rotweillers in good conditions owner enclosed to enable access to see the other dog. GSD 16y old very bad authoritis. Had to put her brother down just a couple of days ago because of the same issue. However she is still mobile not peeing on herself very slow but still stand and eats on her own. She is also on pain and authoriits medication as well as a specilized diet. Was at the vet less than a month ago was also digcnozed with dimensia . Owner is aware that should she not be able to move any more or stuggles/suffers any more they have to euthanse. They are planning on euthansing. Also offered our services should they require will continue to check in
